

21-25 June
2015

Zagreb
Croatia

The 2015 biennial SIEF congress in Zagreb is an intellectual festival that showcases the state of the art in the field.

Over 500 ethnologists, folklorists, anthropologists, cultural historians and other colleagues from all over Europe and beyond meet to present and debate their latest research, share inspiration, agree and disagree, and create collaborative projects.

At the SIEF congress, we have the important conversations that carry our fields forward.

Please join us!
